Christina L. Williams, Notary/Paralegal

Christina ("Chrissy") L. Williams started her legal career in 1986 working extensively in personal injury law. She assisted with claims filing, analysis of medical records and testimony, finalizing settlements, and trial preparation. During this time, she managed all aspects of a busy law practice. She holds a Paralegal Certification from the University of New Orleans.

In 2003, Chrissy obtained her St. Tammany Parish Notary Public commission and she single-handedly closed real estate transfers and cured real estate title issues. She held a producer's license and managed all aspects of a title insurance and closing company with offices on the north shore and south shore of Lake Pontchartrain.

Chrissy also obtained her Louisiana Realtor license and worked for a real estate sales company where she gained extensive experience in real estate sales as well as management of real estate offices with multiple locations, including all financial, compliance, and agent aspects.

In 2016, Chrissy attended Southeastern Louisiana University's notary class, sat for the semi-annual exam, and obtained her statewide Notary Public commission.

Chrissy continued to work in the legal industry and assisted with general liability insurance, workers' compensation, and construction defense; real estate claims; and estate planning and successions. Along with her attorney, business-partner, Chrissy utilized her unique experience to form Cypress Notary, LLC.

Chrissy Williams' comprehensive and hands-on experience with litigation assistance, real estate transactions, and business management uniquely equips her to efficiently and professionally provide Louisiana notarial and paralegal services.
